A Busy Start

I hope your first few weeks of school have been as exciting and busy as ours. Chartwells started the semester with a bang. Between New Student Orientation and the March through the Arch, as well as other events, we served over 3000 meals to students, all on the day before school actually started! Add in our normal events and assisting with various fundraisers such as CWHOG's annual Pig-Out, and September has flown by.

Chartwells isn't letting up in October, either. Homecoming is just around the corner, so look for exciting specials at the Pond and Rendezvous. On October 26, Chartwells will be hosting a catering open house in the Wood River Room in the PSUB. Keep a lookout for more information as the date gets closer.

Our new Catering Guide is up and running. I hope you like it as much as we do! Check it out at DineOnCampus. We have changed the look and updated many of the items. Don't worry, all of your old favorites are still in there.

Remember, we are always available for any questions, comments, concerns, or any other reason. You can reach us at 282-5463 or 282-2242.
